

RSIC-Security Strap

The RSIC Security Strap specifically designed for high abuse or security areas where the gypsum board is part of the secure space. The RSIC Security hold the furring channel in the RSIC clip up to 185 lbs per connection. The RSIC Security Strap is ideal for the RSIC-FS to ensure your TV is safe and secure. The security strap is also a great for use in seismic zones where a mechanical connection is required.

The RSIC-Security Strap is compatible with the RSIC-1, RSIC-1-FS, RSIC-1 ADM, RSIC-1 TTC, RSIC-1.5 CRC, RSIC-2, RSIC-1 EXT04, RSIC-1-SI, and RSIC-V clips.
